

## **GOD'S WAY OF ESCAPE**

"Watch... and pray always, that ye may be accounted worthy to escape all these things." Luke 21:36

### **YOU MUST BE BORN AGAIN!!!**

Jesus told Nicodemus what he had to be to enter into the kingdom of God, not what he had to do. To be born again is to have a change of heart. In Hebrews chapter 6 we have a summary of Jesus' basic foundational teachings. The "born again" change of heart is evidenced by "Repentance from dead works and faith toward God". Until we are tired of treading water in this life and decide to trust God to save us we are choosing to drown. We must believe that God exists and rewards those who seek Him. Jesus taught that the Christian life is a life of total immersion. The first immersion is into the Fatherhood of God. We must turn our lives over to his loving guidance. In water baptism we identify with Jesus' death, burial and resurrection, and we become immersed into a new life in Christ. If we ask our Father for the Holy Spirit, He will give Him to us. Jesus will baptize us with the Holy Ghost Who will lead and guide us. Without His guidance, we will escape the wrath of God, but not "all these things". That is the watching part. In Luke chapter 11 Jesus said, "WHEN YOU PRAY SAY". Whatever else you pray, also pray earnestly with Jesus.

**OUR FATHER WHO ART IN HEAVEN  
HALLOWED BE THY NAME. THY  
KINGDOM COME. THY WILL BE DONE,  
AS IN HEAVEN, SO IN EARTH. GIVE  
US DAY BY DAY OUR DAILY BREAD,  
AND FORGIVE US OUR SINS FOR WE  
ALSO FORGIVE EVERY ONE THAT IS  
INDEBTED TO US, AND LEAD US NOT  
INTO TEMPTATION; BUT DELIVER US  
FROM EVIL.**

## **MULTITUDES IN THE VALLEY OF DECISION**

HEAVEN

Joel 3:14

Joel begins to sum up his prophesy, saying, "When I bring back the captives of Judah and Jerusalem." According to Luke's gospel Jesus told us that that generation would not pass away until God's wrath has been poured out on the world.

**The decision is Ours!  
Our way, or God's  
way?**

**Our way leads to the  
wrath that is coming  
on the world.**

**God has provided, for  
us, a way of escape!**

**This pamphlet may  
save your life!!!**

## **"YOU MUST BE BORN AGAIN!"**

### **THE "WRATH OF GOD" IS BOTH CERTAIN AND IMMINENT**

We all choose what we will believe in and, more often than not, our beliefs are based more on emotion than reason.

If we choose not to believe in God and the Bible, we need to be born again. We cannot escape the "wrath of God" unless we are born again. If we are born again, we are not appointed to God's wrath.

### **ONLY THOSE WHO TRUST IN JESUS WILL ESCAPE GOD'S WRATH!**

There are always consequences associated with our beliefs. Belief in God, Jesus, and the Bible are both reasonable and beneficial. The fact that the Bible is the only "thing" that has ever accurately predicted future events, proves its authorship making it the only logical choice for guiding our lives. The benefits of believing are too numerous to list here, but they include the greatest life possible here and hereafter. The only "downside" is that a lot of people want to send us to heaven early.

### **THE COST OF REJECTING GOD AND HIS LOVE**

To reject God is to reject hope. Without God, the best we can hope for is annihilation, and our lives being pointless. Replacing our Creator with evolution has given us concentration camps with gas chambers, master races, fascism, and a world war. Humanism looks to the "goodness of man". This has enabled the "proletariats" to rise to greater evil than their predecessors. Relativism by eliminating absolutes leaves no basis for reason or logic. Genuine love is understood only from God.

## **WEIGH THE COST**

Not only is rejecting God a bad choice in the natural sense, the eternal consequences are horrible. This nation is founded on "truths" that are still "self-evident". The existence of God is so obvious that we must deceive ourselves to ignore Him. Self deception is almost impossible to overcome because we trust ourselves most of all. Our equality depends on acknowledging His love for the people He created. Without "God given rights", we have no rights at all. We only have privileges granted at the whims of government and are therefore easily taken away. By rejecting God we forfeit our rights to "LIFE, LIBERTY, AND THE PURSUIT OF HAPPINESS". Is that what you really want?

Eternally, the consequences are far worse!!! In the gospel of Luke, the 21<sup>st</sup> chapter Jesus teaches about the end times. In verse 24 He predicts that the Jewish nation would be dispersed "into all nations" and return again ending "the times of the Gentiles" This happened in 1949 proving His reliability. In verse 32 Jesus tells us that "this generation shall not pass away, till all be fulfilled".

We have been in this generation for 73 years. 7 years of tribulation will come to pass before this generation passes away. The worst time for natural disasters the world has ever known culminating with God's wrath being poured out on the world is certain for this generation. Unless we are "born again" we cannot escape. We will be eternally separated from God. We will be cast into the lake of fire, in outer darkness.

**Please flee the wrath to come!!!!**
